Boston Groundwater Trust (BGwT):
Approximate Location of Colonial Shoreline

NOTE:
1630 Colonial Shoreline was obtained from various maps in the book,
"GARDEN GROUND: A History of Landmaking in Boston."
Those various maps are based upon a reconstruction devised in 1882
by Eile H. Cheesbrough and reproduced in 1955 by Charles C. Perkins on
"A Plan of Boston Proper Showing Changes in Street and Wharf Lines." Also
a 19th Century Map of Boston 1838 (Bradford, T.D., Norman & Leventhal
Map Center at the Boston Public Library and Plan of Sections 1,2 & 3 East
Boston, 1833.
