- Updated database to include all new o.w.'s that have been installed.
- Finished making readings for the Summer 2005 period. Readings will be sent to the web-developer mid-week and should be posted some time during the following week of 8/22.
- Began pre-marking first group of wells for the next contract of 180 observation well installations.
- Conducted interviews for the Fall co-op.

I will continue to be both in the field and the office coordinating the overall activities.
