

## Technical Coordinator Report #17

Hello everyone. The following summarizes our work from 30 August to 7 September 2004.

- Worked on obtaining PIC permits and building permit for the next group of 105 observation wells to be installed in the fall/winter 2004.
- Obtained a building permit for the next 105 observation wells in the fall/winter 2004.
- Continued work on PIC for the EPA program of wells to be installed in the fall/winter 2004.
- Worked with co-op Jacob Leahey on organizing Building Inspector Reports (BIRs) data for posting on the web-site.
- Examined alternate solutions for groundwater recharge.

I will continue to be both in the field and the office coordinating the overall activities. If you have any questions please feel free to contact me.

Kind Regards,
