

Technical Coordinator Report #18

Hello everyone. The following summarizes our work from 8-20 September 2004.

- Worked on obtaining parking and PIC permits for the next group of 105 observation wells to be installed in the fall/winter 2004.
- Continued work on PIC for the EPA program of wells to be installed in the fall/winter 2004.
- Worked with co-op Jacob Leahey on organizing Building Inspector Reports (BIR's) data for posting on the web-site.
- Initiated Fall 2004 set of readings.
- Examined alternate solutions for groundwater recharge.

I will continue to be both in the field and the office coordinating the overall activities. If you have any questions please feel free to contact me.

Kind Regards,

Christian Simonelli
BGwT Technical Coordinator/Environmental Engineer
