

## Technical Coordinator Report #20

Hello everyone. The following summarizes our work from 6 October - 1 November 2004.

- Installed 27 observation wells.
- Continued work on PIC and Bid document for the EPA program of wells to be installed in the Spring/Summer 2005.
- Started mapping out locations for the next group of 180 observation wells.
- Continued to work on alternate solutions for groundwater recharge.

I will continue to be both in the field and the office coordinating the overall activities. If you have any questions please feel free to contact me.

Kind Regards,

Christian Simonelli
